

## Match Report Round 12 (HWAFC Integrated Game 7) 9 July 2016

High Wycombe 1:2 vs Kingsway 6:9 at Yokine Reserve

It was a cold and wet Saturday night game and a big thankyou to the hardy supporters that stayed to watch us after the league and reserves games. Unfortunately, this week we only had 18 players at start of game as a lot of colds and flu's around plus a few injuries. We were out played by a well drilled Coolbinia West Perth team.

Our focus again this week was to run, have fun, enjoy the game, the crowd support and the wet conditions. I was happy that we kept trying in what were pretty ordinary conditions with rain and mud and big puddles on the ground. We also played a team that is top of the ladder and undefeated. We struggled to get scoring opportunities but did defend hard and a couple of injuries during the game that left us with 16 on the field did not help. But that's footy. We will continue to work on our skills and ball movement at training.

We had some players that tried hard

Goal scorers: Robbie 1

Best players: Graeme, Robbie, Tristan, Dan, Zac, Eddie, Jaymee-Lea, Shannon and an honourable mention to Jeremy who started well and was working hard but had to go off in the second quarter with a sore hammy.

Thanks to Coke for managing the board and making some moves this week while I wandered about out on the ground. It was extra important this week as Sheeds was away. Thanks to the usual support crew Umpire Dermi, Team Manager Michelle, Goal Umpire James, and Trainer Phil Sheedy (Mr Sheeds).
