President's Report

Season 2000 saw the Club advance to C Grade, one in which we were quite excited about with a new year and new challenges for all of us, players, committee and supporters. We were able to meet all the challenges set before us and consolidate our position in C Grade.

With the C Reserve and Colts making the finals, it has been a fantastic result for the Club.

To our coaches, Ross, Robert (Pud), Michael and Geoff, and support staff Warren Osborne, Ian Livingston and Mark Doyle, thank you all for your efforts during the year.

Thank you to our team managers, Peter Paszko, Marg Williams, Dean Smith and Rhonda Mackey.

Thanks to Barry Boranda for his umpiring efforts with the G Grade team.

A very big thank you to our hard working trainers, Mr Sheedy, Tania and Sam on a job well done.

In recognition of Mr Sheedy's tremendous dedication and commitment to the Club, this year the committee decided to name the Club Person Award in his honour. His constant loyalty to the High Wycombe Amateur Football Club is something we should take on board and not for granted. Mr Sheedy's will be sadly missed next season as he is moving to Jurien Bay. His position as Head Trainer will be very hard to fill. Mr Sheedy's enjoy your future at Jurien Bay.

To all players and supporters who supported our functions thank you for your attendance, support and generosity throughout the season.

Congratulations to all club trophy winners on a season well played, I know you have already thanked your team mates.

Once again the Club has been very successful at the Association Awards Night with this year taking out two Fairest and Best trophies, those being Shane Sterrett in C Reserve and Kevin Fitzgerald in the C Grade Colts.

President's Report

To our sponsors thank you for your continued support throughout the year. Without your financial sponsorship it would make life a lot more difficult for all concerned.

To my hard working committee, thank you for your support and understanding throughout the year.

A big thank you to Diane and Amanda Smith for once again producing our Season 2000 Year Book.

Finally to my wife Sherryle and sons Nathan and Kye, thank you for your support and encouragement. I know at times I put you guys second to the football club.

Wayne Scroop

C Grade Report

Moving up to C Grade this year was certainly a big challenge. Early in the season we struggled and only won two out of the first nine games, but to the players credit they worked hard to, first of all, avoid relegation and secondly just miss out on playing finals football.

There are many people I would like to thank for their tireless work this year. Puds, Flavs and Outy for their support throughout the year. You can all be proud of your teams efforts.

Doyley, our Chairman of Selectors, you have done a great job again and your support on the bench each week was a huge help.

This year for the first time we had an assistant coach, Warren Osborne (Wazza). To have someone who has been so loyal and honest, like you and your total support through thick and thin has been most welcome.

Livo (Ian Livingstone) who looks after our warm ups and a selector who also came out of retirement three times when we had injuries, thank you.

My Team Manager Peter Paszko. Paz you have been an excellent team manager and good friend all year. You don't know how much I appreciate your support and loyalty.

To the Committee thanks for your efforts throughout the season.

To Becky (Craig Beck) on winning your first fairest and best award. A thoroughly deserved victory. Who said you were always the bridesmaid. No one could be prouder than me!

Kevin MacArthur who was there to run water, be my runner and even play in the end, thank you.

To Margaret, for the job in getting players registered and cleared and all the other work you do around the club, a big thank you.

To Sheeds and the training staff for your efforts in keeping players on the track and your continual tireless work is much appreciated.

C Grade Report

My Captain, Craig Mailey, Vice Captain, Craig Beck and Deputy Vice Captain, Cameron Byers, a big thank you for your loyalty.

Thanks to my runners, Norm Edwards and Ian Livingstone.

To all trophy winners in all grades, congratulations.

Congratulations to Shane Sterrett and Kevin Fitzgerald on winning the Fairest and Best Awards in C Reserve and C Grade Colts respectively. It was great to be there to see Kevin receive his medal.

To all the wives, girlfriends and supporters, a big thank you.

Coaching can get quite stressful at times for all sorts of reasons and if it wasn't for the total support of my wife, Kerry, I don't know what I would do. Thanks Love.

Finally to the players from the oldest to the youngest you have all been a credit to the Club all season. Thanks for your loyalty throughout.

Ross Fitzgerald

C Reserve Report

I'm writing this report two weeks earlier than normal for the seconds, and it is a little disappointing. That reason being that we don't get to have a few more drinks and laughs and all those little things that go with being a footy team. One thing I'm not disappointed in was the fantastic effort of all concerned in what the seconds achieved.

After losing the first three games we could have thrown in the towel, but we worked hard for each other and when it got tough we pushed through. At the half way mark we knew we had turned the corner and we were going to have a say in what happened. With four games to go we would have to win two games to scrape into the finals. We did this and took on Belmont/Redcliffe at their home ground in the Elimination Final. Belmont/Redcliffe had given us a ten goal flogging in round 16. To see the effort and feeling for each other and that never say die attitude made me one very proud Coach as we won by eight goals.

Our next assignment was East Fremantle down there. We celebrate Pud's 300th in the epic battle and go down by one point. Although upset, I was again proud of the way my team mates gave absolutely everything they had and they could all walk away with their heads held high. So that was it, the season over. We can only look back at what may have been, maybe we could have done a few things differently but one thing I do know is that the effort and feeling for each other was 100% and all a Coach can ever ask for is that.

I'd like to finish by thanking the Committee for their support and their fantastic work behind the scenes, Clubs don't work on field without your efforts. To all Coaches thank you it's been great working together and I believe our first year in C Grade has been a marvellous success.

It will be sad to see Mr Sheed's leaving, because his dedication and efforts and most of all his friendship will be sadly missed, thank you. To the two people who are the seconds, Marg and Doyley, I would not and could not do this without you. Love you both.

Congratulations to all trophy winners especially our two Association winners, Fitzzy (C Colts) and yet another seconds Association winner in Sterro.

Last of all to the players thank you for your friendship and your 100% effort. I'll miss having the piss taken out of me until pre season.

Rob (Pud) Meikle

P.S. Happy Retirement 'Bear'!!

Bones of the Body

In the framework of every organisation, there are four bones

- ⇒ there are the **Wishbones** who sit and wish they won't be asked to do any work
- ⇒ there are the **Jawbones** who do much talking and little else
- ⇒ and there are a few **Knucklebones** who do nothing but knock anybody who comes up with good ideas
- ⇒ fortunately there are the odd **Backbones** who don't mind volunteering to pull their weight to get the job done. Without them, no organisation can function

WHAT SORT OF BONE ARE YOU ???

C Grade Colts Report

A very pleasing and progressive year.

At the start of the year we went about setting some team goals for the year. Firstly, to progress on the good work from last year, which was their first in the colts competition. Secondly, to find some consistency over the year, and if we achieved those goals then to get a taste of finals football.

To the boys credit they achieved all of the above, a fantastic job done by a fantastic group of young men. It will only benefit the guys going into senior football next year and also help the confidence of the players staying in the colts next year.

We could not have achieved our goals without the support of everyone who followed and encouraged us all year, there are too many to individually name, so like myself, the team thanks you and we greatly appreciate everyone's support.

Special mention though to Deano, our manager who did a fantastic job, not only before and during the games, but the boys also enjoyed having a beer and relaxing with him after a game. Thanks Deano.

Finally, to the colts squad members themselves, it was not only a pleasure to coach you, but a great pleasure to get to know a lot of you as new mates and friends which hopefully will continue into the future.

Again thanks everyone for their support.

Good luck and thanks for the year.

Michael Outridge

Blue Smartie

Eddie McGuire goes to Carlton for a meeting with John Elliott. After the meeting, John says to Eddie, "Well Eddie, I don't know what you think of your players at Victoria Park, but mine are all bright and brilliant."

"How do you know?" asks Eddie.

"Oh well, it's simple", says John. "They all have to take special tests before they can play here, just watch this." He calls SOS over and asks him, "Tell me SOS, who is the child of your father and of your mother who is not your brother and is not your sister?"

"Ah, that's simple John", says SOS, "it's me!"

"Well done SOS." says John, and Eddie is very impressed.

Eddie returns to Collingwood and wonders about the intelligence of his team. He calls in Nathan Buckley and asks, "Nathan, tell me, who is the child of your father and of your mother who is not your brother and is not your sister?"

Nathan thinks and thinks and doesn't know the answer. "Can I think about it a bit more Eddie, and I'll give you the answer tomorrow?"

"Of course", says Eddie, "you've got 24 hours."

Nathan goes away, thinks as hard as he can, calls in his team mates but no one knows the answer. 20 hours later, Nathan is very worried, still no answer and only 4 hours to go. Eventually Nathan says "I know, I'll ring Leigh Matthews, he's clever, he'll know the answer."

He calls Leigh. "Leigh", he says, "tell me who is the child of your father and of your mother who is not your brother and is not your sister?"

"Very simple", says Leigh, "it's me!"

"Of course." says Nathan and rings Eddie.

"Eddie", says Nathan, "I've got the answer; it's Leigh Matthews." "No, you idiot", says Eddie, "it's Stephen Silvagni."

G Grade Report

I would like to thank the High Wycombe Amateur Football Club for giving me the opportunity to coach the G's for the 2000 season.

Again we struggled all season and only won one game. For the fourteen regulars in the side, thanks fellas, as I'm sure we enjoyed the after match drinks. To the colts that filled in every time I needed players, your help was well worth it even though it was hard on you sometimes.

Congratulations to all trophy winners. Without a team to be part of, players would not achieve the awards, so thanks to all who took part in the G's.

To Brett Short (Captain) and Brett Hockley (Vice Captain), thanks for your input during the season both on and off the field.

Congratulations to the Colts and C Reserve on reaching the finals. Every year I have been involved with the Club, we have had a team in the finals and it just shows that not matter what grade you play in, we are always strong as a Club.

Rhonda, my Manager did a great job and from all players we thank you for all the time and hassles you put up with.

Overall I enjoyed myself and whoever takes G's on next year, all the best.

Geoff Flavel
