PRESIDENTS REPORT

The season of 2010 was again a very successful one for the club. The target at the start of the year was for the league to play finals so that the club remains in C grade and we have done that. Three of the four sides played in the finals, with the League and Reserves finishing third, Colts fifth and the Thirds in 8th but having played 70 players through their side during the year, a phenomenal number and an awesome job done by all teams. It was a great effort and the club was proud of their performance.

Our on field performance was again matched by our off field performance. Numbers at functions was generally good with the band nights and the ladies night season highlights. We have also had renovations done to the club with new bar, carpet and ceiling panels installed in our off season as a joint effort between the Amateur and Junior Football Clubs and the Cricket Club.

Thank you to the workers on the committee, Sherryle, Davina, Julie, Kyrie-Lee, Coke, Robbie and Sheeds for your help and support throughout the year as set up and pack up crews, canteen helpers, social event organisers and cleanup crews at the end of each game and each night. Thanks also to Kylie for her hard work in coordinating sponsorship and her help with making salads and assisting in the canteen throughout the year. I would also like to thank Craig (Dermi) Gallagher for his advice, support and hard work over the last three years as Vice President. The hard work of all of these people allow the club to run smoothly.

Thanks to the sponsors as without their assistance our club would not survive. Their continued support is vital and is greatly appreciated.

Thanks to our coaching staff, Doyley and Chesty, Wozza and Mark, Banksy and Dermi, Dale and Butch. Thanks to the trainers, Jason, Yvette and Coke. Thanks also to team managers Julie, Marg, Sherryle and Burgo and to the runners Norm, Crackers, Jason, Owie and to the variety of volunteers that ran for the Thirds. Thanks also to Dennis Waugh for marking out the ground every week and to the many water boys and other helpers.

Thanks to umpires Craig Cherry, Peter Dennison and Russell Banks for their efforts. Thanks also to Jack Cudlip, Ryan Hockley, Ash Hayden, Jay and the many others that boundary or goal umpired throughout the year.

A special thank you to canteen staff Lesley, Nicole and Cassandra for the great job they have done throughout the year. Thanks also to Rob Rowlands for again managing and updating our website.

Congratulations to all trophy winners.

I hope to see everyone back at the club as we look forward to another successful season in 2011.

Go Bulldogs!
Brett Hockley
President

C GRADE REPORT 2010

A really good year for the club with 3 sides making finals and the thirds working hard all year and never giving up culminating in them knocking off the top unbeaten side. I really must congratulate all the boys who played league footy this year there was a lot of pressure on for the club to stay in C Grade this year, as not making finals meant the club could slip to D grade or worse. The boys really stood up and the mix of youth and senior players really worked well once we came together as a team, after a shaky start the boys really adapted to the way I like to see High Wycombe sides play footy and we worked hard throughout the season to finish in third spot on the ladder which kept the club safe. Not only did the boys keep the club safe but they gave themselves a much deserved crack at the finals double chance. Our first final was a poor effort but I think the week before where we knocked off Kalamunda by two goals at Ray Owen took a huge toll on the guys and to get themselves up for a second week against a quality Kalamunda side was a big ask and we were beaten well. So it was back home to play Kelmscott a very dangerous side with some skilled players and experience and the boys fought hard all day to scrap a 3 point win and another rematch with Kala in a pre-lim. We met Kala again as they had been flogged by Scarborough in the 2nd semi which set up the derby pre-lim final which turned out to be an awesome game of footy you can't pay for entertainment like that the AFL should have seen it and with the boys up and about and believing in themselves they took on Kala full on, a coach could not ask for a better effort from his players in any game, unfortunately we just ran out of time with the footy in our forward line and only seven points down. But a huge improvement on our previous years finals effort and that's all you can ask is to improve a little each year grand finals aren't won overnight.

There are many people to thank and I will start with the club and the people that put the work in behind the scenes. Our committee work very hard to run such a successful and well organised club with great facilities and with the good events they put on they have done another huge job this year and they should be very proud of where they have taken this club. To Les in the canteen thanks another great year from you always working hard, to Porky, Yvette, Coke and Sheeds who keep the boys on the paddock each week great job thankyou all. To the coaches Wozza and Mark (res) Banksy and Dermi (colts) Dale and Butch (3rds) that have shown heaps of support for myself and the league side and done great jobs with their own sides all year fantastic job and keep it up and thankyou. Thanks to my son Billy for doing boundary all year for the resses and to all my family for putting up with me for another season of footy.

For the league side I really would like to thank Margaret for once again taking on the managers role she is very busy and gives of her time freely to keep myself and all the boys on the straight and narrow thankyou Margy. Normie great job running again and the wisdom he brings to the side is second to none a great mate and top clubperson. Chesty with his out of the square thinking and enthusiasm was of a great help to me and could really get the boys fired up for a tough contest, if he is not too busy working hopefully he can get down and play some more footy for the club, cheers mate. To Della helping out in a coaching role pre-season really took some stress off and it's always good to keep learning and taking a look at different views on players / tactics etc throughout the season thanks mate. (Della also managed to finish 3rd in the assoc voting well done mate).

C GRADE REPORT 2010 cont.

To all the players that played league this year thanks for the support you guys have given me, thanks for your patience in sticking with the style of footy I want you to play I know it may be old school but I know it works and when we stuck to it we had some great wins and close losses. I couldn't have asked anymore from you all, from the crop of young boys that came in to the wily old senior players you had a great season and whilst you may be disappointed to not make the GF I think you finished off the season very strongly and there is a great deal of hope and excitement within the group as to what the next few seasons hold but it still takes a lot of hard work, you only reap the rewards if you are prepared to put the work in.

Our captain courageous - Brad Sermon absolutely led from the front this year and his workrate on the track and game day was an inspiration not only to me but also the playing group thanks for your continued support mate. What I truly believe that made the league boys so successful this year was the belief they have found in themselves and their team mates ability to win the contested footy, shut other sides down and then to work as a team to move the footy in to our forwards quickly. As a coach you can't be mates with all your players but you hope that you are with a fair few and at least the rest respect you as I respect all my boys that pull on that Wycombe jumper. Thanks boys for an enjoyable and exciting season of footy.

Congratulations to all the trophy winners tonight, thankyou for your seasons and your dedication to the HWAFC.

And a huge thanks to all the family, friends, past players, etc etc that came and supported our great club throughout the season.

Lastly a big thanks to our sponsors without these people our club just wouldn't operate.

DOYLEY.

C RESERVES REPORT

Wow another amazing year! Grand Final last year and a Preliminary Final this year, thanks very much boys you have all worked so hard to be where we are now, cheers guys!

The whole year was a bit up and down, the 1st 3 games we won quite convincingly by 10 plus goals we were sitting pretty well. Then we played a side that had not even won a game. Guess what? THEY BEAT US! It was the worst game of football I have ever been involved in. We lost the next 5 out of 6 games, after round 9 we were sitting 5th with 4 wins and 5 losses. It was disappointing with the losses that we had against the bottom sides, this cost us 3rd spot.

The 2nd half of the season started off great, we performed like a team destined to go somewhere this year. We won 6 games straight which pushed us to equal 3rd on the ladder but, we still had to play Scarborough, Kalamunda and Mosman Park one of the bottom sides. We lost two out of three which left us finishing 4th on the ladder at the end of the season.

All in all it ended up being a very enjoyable and successful home and away season. I was very happy to finish where we did on the ladder.

We played the elimination final against Brentwood, we pretty much controlled the game and ended up winning by 8 goals, even though the umpires tried sooooo hard to bring them back into the game, We fought hard for the whole game. Well done boys!

Our next challenge was against Basso in the 1st Semi Final. My boys played so well for the 1st half we were 3 goals up at half time. Then we seemed to let them back into the game by not doing what we were doing in the 1st half this nearly cost us the game. We hung in tight, fought extremely hard and showed everyone that we really meant business.

SO look out Kalamunda -they were next in the Preliminary Final. The Preliminary Final didn't go exactly the way we wanted it to go but, that's what happens when teams don't play to their full potential, say no more!

I would like to thank a few people, to the coaching staff -THANKYOU, all you guys have been great to work with and you have helped me so much. Thank you Doyle, Banksy, Dale, Butch, Dermie and a special thanks to Mark Hywood for being my assistant coach. This was Mark's 1st season at an amateur club and he has fitted in well with all the boys. I have enjoyed your company and thought process (was very similar to mine) that is why we have done so well this year. Thanks very much mate! I hope you will be with us again next year. To my manager Jules - Thank you! You are an absolute champ, not only for all the help you give me and the team but for everything you do for the club as well Thanks again!. To the rest of the committee thanks for everything, you are all great!

It's been a great year thanks for everything.

GO THE DOGGIES!

I look forward to seeing you all again next yearWozza

G GRADE REPORT 2010

A terrific season again by all players that played G Grade at different times of the season. A massive number of players again went through the G Grade side with seventy three players listed to play and seventy of those actually playing. That is over three full teams that had to get through one side so a big thanks to all players for their patience waiting for their opportunity.

Unfortunately we failed to make finals this year but our chances were still alive right up to the final home and away game. It was a very tight competition and our record of six wins and twelve losses saw us miss out by only one game. The season highlight I feel sure for all players involved was the game we won against Kalamunda, we at that point sat seventh and Kalamunda sat on top and to that point of the season round Fifteen were undefeated. It was like winning a grand final and boys certainly celebrated like they had won a flag.

The entire season was extremely enjoyable and that can only be attributed to a fantastic bunch of players and people involved with the team. Our leaders Billy Scibillia and Aaron Lucas are fantastic they always make themselves available to help with anything on or off field and are the true heart and soul of the G Grade thanks guys. My assistant coach Glenn (Butch) is just a great asset and really thinks through situations to try and get the best result for the team thanks Bro. Our manager Kyrie-Lee, what a champ she just gets everything done and allows me to just coach so a massive thank you from myself and all the players. To Mark (Coke) our trainer you are invaluable not only do you work so hard for our team but you do amazing work right around the club so a massive thank you Coke from everybody at the Club. To Sherryle and Julie thanks for keeping an eye on all the team things, games played, qualifying players, pushing through rego's etc. A huge thanks to you both.

To Leslie and Nicole behind the bar you girls are awesome the work load you take on on Saturdays is exceptional and always with a smile, so thanks very much. To Brett and all the committee the club is a delight to be round friendly and well organised and that can only be achieved by a functional team.

I would like to thank you for the chance to coach at a club that is taking a realistic view on there we are at and what it will take to move to the next level so thank you for your honest outlook and well done to you all.

To Doyley, Chesty and Norm what a great year you must all be proud of the league boys with that they achieved and how they went about their season. We just need to hope now you go around again Doyley. you certainly have everybody behind you, well done mate.

To Wozza and Mark you blokes did a super job to get the season back on track and achieve what you did by seasons end, great effort and well deserved success, job well done. You have set the foundation for a really special season next year, make sure you two stick together.

To Banksy, Dermi and Owie the season just got a bit derailed at the end with all the injuries and outs but overall you would have to be pretty happy with the way the boys went about being so damn good at so many stages of the season. If only it could be consistent the sky was the limit. Banksy a huge thank you also from the thirds for umpiring us for a lot of the year it was greatly appreciated mate so thanks.

Just in closing, thank you firstly to all of the players at our great club you guys are the reason we all do what we do, make sure you all come back next year and keep us going in the right direction. Finally to all our supporters and sponsors thanks enormously, a special mention to Ian Smith, Smithy we just can't thank you enough for all your special gifts you provide they are much appreciated mate, thanks.

To my wife, Lee-Anne, my kids Lucas, Amber and Joel thanks for the support. Look forward to seeing everyone next year, Go Doggies.

Well done the Raymond Marsh for finishing third in the association votes.

Dale

C COLTS REPORT 2010

The year started slowly for the colts with numbers being down at the beginning of pre-season but with both the boys training and a heap of phone calls we managed to get together a group of boys to field a side for the season.

Our season started with a lost to Kelmscott as the boys got to know each other and the coaching staff got to know our players, while we lost there where a heap of positive signs to take from the game. We regrouped at training through the week and brought up our first win at home the following week.

It was a season of ups and downs both on and off the field, but we stuck to our guns and managed to make the finals, which was a great achievement for the boys considering at the start of the year we had doubts that we would get a side together, congratulations boys. Overall it was a good season for us but we let ourselves down a couple of times throughout the season with some discipline which probably cost us the double chance in the finals, it just goes to show that a couple of slip ups can have a big affect on how your season ends.

I would like to congratulate Rob Jansen and Dale Richardson who played State Amateur Colts and did themselves and the club proud, also congrats to the boys that got the opportunity to play league football for the club this year it shows the club is heading in the right direction on the field and with a good group of young guys coming up our future looks good.

Congratulations to the club for having 3 out of the 4 teams make the finals, unlucky to the 3rds, but without them keeping the pressure on everyone the club wouldn't have 3 sides playing finals football.

To Dermie, Owie and Jay thanks for all your support and help this year, without you guys none of what we achieved this year would have been possible, on a personal note to Dermie you have been my assistant coach for the last couple of years and without your support, friendship and loyalty none of what we have achieved together over the years would have been possible, THANKS MATE.

On a personal note I would like to thank Doyley, Wozza and Dale for all your support and help throughout the year, to the trainers Jason, Yvette and Coke thanks heaps guys and finally to the High Wycombe Amateur Football Club thank you for the opportunity to coach at such a great club, to all the supports of the club please step forward next year and help this great club continue to grow, because a great footy club is made by not what you take from it but what you put into it.
