PRESIDENTS REPORT

The season of 2013 has been a testing one both on and off the field. We found ourselves in a very strong B grade competition and I don't think as a club we were prepared for it but it was always going to be tough going and to the players, supporters, coaches and committee I am extremely proud of how we stuck to the task all year. Also I am very happy with how our club presented off the ground and this is an area we have to keep working on to keep attracting high quality players and sponsors.

The year on the social side was not bad but could always be better we had some very good nights the 2 lady's night proving very popular once again well done to the girls and guys who helped organise and run them also the band and cocktail nights proving to be a hit but we really need more support from the playing group off the field for our club to stay financially strong and sound.

Thanks to all our loyal sponsors for their support it is greatly appreciated because without them our club would struggle to compete.

To the committee I thank you on behalf of myself and the club without your support and hard work the club would be in a very bad way. I would like to make special mention of my vice president one hollers his work behind the scene with the shire has been outstanding not only on behalf of the footy club but also the juniors and cricket club if I didn't have his knowledge and drive by my side this year the club could have been in a lot of trouble.

Thanks to our coaches this year, managers and trainers who turn up rain hail or shine to make our players better footballers and people special thanks to Hockers and Sheeds who through some hard yards are starting to see some success with the integrated team numbers growing.

Thanks to the umpires Denno, Burgo, Ryan Hockley, Jonathon Sheedy, Dan the man Sharpy and all the other helpers who ran water on game day.

Thanks Jan and her merry band of helpers for the magic meals on Thursday and Saturday nights and for always serving me a cold beer throughout the year. Thanks to Rob for once again being our IT guru managing and updating our website.

Congratulations to all the trophy winners. I hope to see everyone back at the club next year for what promises to be an exciting year.

GO HAWKS!
CRAIG GALLAGHER
PRESIDENT

INTEGRATED REPORT

It was a good building season for the Integrated Team as we continue to work on what is a very important program for our club. It is great to be able to give these guys an opportunity to play footy. It is also a very positive program and great fun to be a part of. The competition is also played in great spirits with opposition teams lending players where necessary to get a game underway.

Unfortunately we did not win any games this year but did manage a draw against Lynwood Ferndale. We are gradually building our numbers with 7 players in the first game building up to 15 players by the end of the season with 5 returning from previous years and 10 new players to the club.

We were gradually more competitive this year as our numbers grew. This was also the first year that we have played some games on full length grounds as the Integrated competition continues to evolve. Integrated is continuing to grow and increase profile with a grand final to be played this year at Steel Blue Oval and at least two new clubs planning on entering the competition in 2014. Hopefully we continue to build on the good work this year and increase our numbers again next year.

We also has some highlights as Jack, Jeremy, Peter and Ryan played in a combined Integrated curtain raiser game at Patersons Stadium before the Eagles and Richmond game in June. We also put on a training session at Durham Rd School in July. This was also a good day and a great opportunity to promote the club and the competition. Jack, Jarrad, Jeremy and Peter visited the school with Hockers and also Greg Gilbee the Integrated Coordinator from the WAAFL. Hopefully there will be more opportunities like this in the future.

Thanks to Dermi and Rob Rowlands for umpiring games for us throughout the year. Thanks to parents and carers for their support and assistance for the players and the team. Thanks to Isaac Stewart the District Manager for Swans District WAFC, to Chris Saligari from Kalamunda High School and to Greg Gilbee for their support. We have enjoyed the season and hope to continue to build our Integrated team next year with the aim of being able to play games without borrowing players, win some games and maybe even be in the situation where we can lend players to other teams!

Cheers.

Brett Hockley and David Sheedy

"B" GRADE REPORT

A very difficult but educational year for the club and especially the league boy's. This season we moved up to B Grade and whilst we were competitive in many games we could only manage 4 wins which always accounts for a tough year. Our main concerns were our skill level, as a turnover costs you dearly in this grade of footy, our fitness wasn't too bad in patches but we still found ourselves wanting against the hard running sides but probably the biggest difficulty we faced was our mental approach to the games, you must be on from the start and also be able to fight back when the chips are down and we really couldn't muster the mental strength to be able to do these things this season.

In my opinion a team / club is judged on finals appearances and unfortunately we failed this year to have any team in finals but we gained valuable information about the levels of fitness and skills it requires to move up a grade and if we are smart we will put this knowledge to use in the future we just need a level of commitment to some hard work from everyone involved to find that success again I am sure it is in us we just need to bring it out.

On the positive side we saw the return of our club captain Jacob Hollenberg from knee surgery and he really found some great touch in the latter part of the season, we also had the opportunity to blood some of the colts lads through the league side and gain them some valuable experience for the boys who will finish colts and move to senior footy next season. We also had many of the reserves boys push through and give their all for the club.

Wins usually equals attendance and I am sure this will show in our financials, with the lack of success this season on field our bar was a bit quiet Thursday and Saturday nights so we need to make sure in the future no matter how we are going on field we need the players support off field to stay strong.

Many thanks to all our fantastic committee members and all the people behind the scenes that make the club tick like Rebecca and Lauren, the handsome Coke who does a mountain of unseen work, Kev and Sarah for their bar and cleaning duties, Aunty Jan, June and Tayla who got the boys and their families eating well again, Ian Smith who always pops up with a present or two for the club and all the people that help out.

A huge thanks to Marg for making sure the team runs smoothly on Saturday with her diligent managing duties, Normie the injury prone runner, Steve Barnes and Mickey Johnno, Dale Mcahon and all the boys that helped with the running duties.

Thanks to all the other coaches and assistant coaches for their support, sorry to Adam who was chucked in at the deep end but managed to keep a sense of humour all the way through.

Well done to Hockers and Sheeds with the development of the inter-graded boys that will be a huge asset to the club in future years through their hard work. To all the boys who played league this year thank you very much for your continued support, it was tough and at times we showed the fractures, but we went through it together and hopefully we have come out the other side with a hunger to find a stronger team bond and a united league and club culture.

If you ever think you know enough and never want to learn or listen to new ideas or gain knowledge from your experiences then you will never move forward, and I think we all found ourselves in that scenario this year so hopefully we grab this 2013 season with two hands learn from it and attack 2014 with a new outlook and commitment.

Mark Doyle

"B" GRADE RESERVES REPORT

The HWFC 2013 season for the Reserves was unfortunately described as frustrating lack of numbers throughout the club early season saw us have to use a number of Colts and Thirds players. This resulted in some comprehensive defeats early on.

Mid-season saw the reserves become more stable and therefore were very competitive in a lot more games even pushing Kalamunda (minor premiers) all game.

Unfortunately we suffered a couple of serious injuries to key players in Joshy Betridge (Coller Bone) Joel Downer (Knee).

The back half of the season saw us injected with a few league players bringing high skills and direction to the team.

The reserves produced 2 wins for the season but the fact that Michael Cambell and Justin Turvey regular reserves that produced consistency throughout the year were rewarded with a league birth. In closing started slow midway through played well in patches and could easily had 5/7 wins for the year if they played 4 quarters. Thanks to the 60 odd players who played through the reserves throughout the year.

A special thanks to Dale McMahon my assistant coach and runner and also Jules the team manager.

Thank you

Adam Petrella

E3 GRADE REPORT

2013 was a very interesting year for our E3 team. The year started with us not being sure whether we would be able to field a thirds side. In order to get enough numbers every friend, acquaintance, and relative was begged or bribed to play. While we got off to a slow and rocky start the boys really pulled together and formed a great team that I was so proud to be a part of. The core group of players that made up our E3 team fought through adversity: fought blatant cheating from umpires, and some underhanded tactics from our opponents to fight out the year and achieve some success.

As my first year as a coach I knew it would be a year with many challenges, so I would first like to thank everyone who supported me and the team this year. To Dermie and the rest of the committee; thanks for all the support and giving me a chance coach, I had a blast. The women in my life, my wife; Michelle and my manager Kylie I could not have done this without you two, keeping the boys in line and making sure all the paperwork and money were sorted really made my job cruisey. I would also like to thank my leadership group, Jarrod Farrell, Michael Scibilia, Steve Burney and Jeremy Allen, as well as all the other leaders in the team for supporting me and helping me to transition into coaching. A big thank you must also go to Bryce Sinclair for being my assistant and helping out each week and listening to me rant, and Dale and Adamo for all their help throughout the season.

While we did not experience many wins this season the boys consistently tried their best, and we proved to be a dangerous team for many of our opposition that dared to underestimate us. The boys showed great courage and resilience all season; to deal with an ever changing side due mostly to injuries and holidays (who books a holiday during the season. Seriously!!) And to come up against teams and clubs that were much bigger than ours and give their all. We did have some good wins with the highlight being the 20 goal win against Swan Valley, and overcoming a very persistent Kingsway side. The other highlights have been the social events which have been a blast.

To all the boys that played this year; thanks again for a great season you made coaching a great experience and I hope to see you all again next year, stay fit, and be prepared to be harassed next year.

Parso

COLTS REPORT

The season started very slowly for us with poor numbers at preseason and not sure what was happening with the age limits of the colts for season 2013. Once we were notified of the age limit for this season we started sending out letters and face booking players asking them to start getting to training. It wasn't till about 2 weeks out from our first scratch match did the guys start turning up.

The lack of numbers during preseason showed in our first few games of the year as we could run with sides for half a game and then got run over, resulting in some ugly losses early. To the boys credit they stuck at it and we became a little more competitive as the season progressed.

Our turning point this season to me was the game against West Coast Cowan were we embarrassed ourselves with our effort we put in that day, but after a honest discussion after the game we went from strength to strength. We started to work harder both on the track and game days with players playing roles and our results started improving. This was evident with our efforts against some of the top sides with some of our player's playing in high grades.

I would like to congratulate the boys that played league for the club this year and helped out by doubling up at times due to lack of numbers in the reserves. A special thanks to Damo for being the fines master (did you ever fine Mick Outy?) and putting all the boys on the colts face book page as this made contacting everybody a lot easier. A special thanks to all the players for commitment to the club this year by always training, running water, turning up to club functions etc, if you keep up this commitment our football club will continue to grow and move forward.

On a personal note I would like to thank my wife Toni for doing the manager's job this year and putting up with my crap, to Michael Outridge for being my assistant coach this year and keeping me under control at times on the bench with your level head, great advice and great sense of humour. Special thanks to Ralf Stewart for always being at training to help out whenever you where needed and making sure Ben gear was always there for him. To my two runners this year in Steven Barnes and Mark Brinkworth thanks heaps guys. To Doley, Adam, Passo thanks for your support in what was a very trying year for the club.

To the committee of the High Wycombe Football club thank you for the opportunity to allowing me to coach this great club and a SPECIAL THANKS to all our great sponsors cause without you some things would not be possible.

Congratulations to all the award winners and hope to see you all back in season 2014.

BANKSY
