this year he had a younger side and went up a grade which was always going to be a huge challenge. The boys did not win many for the season but Warren never gave up on them and generated a very good team for the future. You could see there spirit and commitment was always there but unfortunately this season making the finals was not meant to be. Congratulation on a great effort was and we hope to see you and all the young players next year.

I would like to thank all the coaches and there staff for an excellent season and we hope to see you all around next year. The players loyalty and professionals both on and off the field was great and we hope it will continue in the year 2003.

Thanks to the all the Managers, Julie, Marg, Rhonda and Corey for your time and effort and doing a fine job. I know it's a painstaking job bit without you the coaches would be lost.

To the Trainers, Narelle, Charmaine, Louise and Renee the job that you had to do, patching up all the players was greatly appreciated by all. We hope to see you all back again next year.

Thanks to the Umpires for the season. I know its an awful job but if you enjoy it there is a good chance you will be back next year and we would like to see you stay part of our club.

Our sponsors continued support and financial contributions is greatly appreciated and without them it would make things a lot more difficult. I hope the players and everyone involved in the club continue to support you during the off-season. Thank you.

To all trophy and award winners congratulations on a very good season but without your team mates your trophy would not be possible so please thank them as we all play as a team.

To everyone out there, the jobs, time and effort needed to operate this club makes for a big task and most of it is done voluntary. So please show your support and say thank you to them, not knock them. It is not hard to get on the committee and help out.

To my family, Denise, Clinton and Brad I thank you for supporting my throughout this year. I know I have not been there sometimes but I will always cherish your support.

Geoff Flavel

C RESERVE REPORT

In sitting here writing this report of our year I'm still pretty disappointed with where we finished. In saying this I think our endeavour on games days was pretty good but we have a lot areas to work on next season including training, fitness and skills. Which comes back to one person, me as coach.

During the season we had almost 50 players go through the reserves and a lot were new people to our club. Most importantly they were young and hopefully they stick around and help us get back up the ladder.

It wasn't all doom and gloom and we had some good wins and some good times off the field. To every player that had a game with me THANKYOU for your efforts and hopefully you feel that we should and could have done better.

To Reikes, Bairy, Weasel and Wazza thanks for your support and congratulations on the efforts you all put in.

Narelle, Charmaine and Louise a job well done. Many thanks for all your work throughout the season.

To the people who are the seconds Marg, Doyley, Rowdy and Pez, the work you put in is invaluable to me and my job is made very easy because of your time and effort. My many thanks to you all.

I would like to thank the unsung hero's of our club, the hard working committee for allowing me to coach and be associated with a great club.

Last but not least to my wife Karen thankyou for your support and encouragement, also for putting up with an old bloke who doesn't know when or how to call it a day.

Regards

Pud

G GRADE REPORT

I would like to start by thanking the committee for re-appointing me to the position for a second season and for their support during the year.

We had our most successful season winning 7 games, finishing fifth and only just missing the finals due to sides withdrawing from the competition. We failed to win a couple of close games against top sides and this cost us a spot in the restructured finals.

This season has been a success for a number of reasons.

Firstly the number out of form and injured league and reserve players to have played G grade this season has been very high compared to other seasons. Maybe people at the club are starting to appreciate that the G grade has a role to play and that those who play in this grade are important to the future of this club.

Secondly the number of colts players' who have played G grade and had a taste of senior football. I'd like to thank those young guns for their help and I hope that the experience assists them in their transition to senior footy next year.

To my regular players, thanks for putting up with me raving and supporting me and my endeavours to implement a game plan at this level. Implementing a game plan was never going to be easy when you make 5 to 10 changes each week. It's a credit to the regulars that they were able to stick to the plan with so many new faces each week. I think that with more commitment to training through out the club, we could play finals in all grades. There is nothing more frustrating than having only a handful of players at training and until the numbers improve we will always be close but not quite good enough. This goes for all grades, not just the thirds.

David Barnes had been very helpful to me as my assistant this year and has managed to keep me relatively calm, I think he really likes the good guy – bad guy scenario. Thanks to Rhonda who continued to manage the side and control both Barnsy and myself when we got really out of control. Special thanks to Renee who took on the trainer's job when BJ's work commitments forced him to stop. I think you did a great job and hope you follow in mum's footsteps and keep at it. Jimmy the goal ump and Cameron the boundary ump did a god job all year and I say thanks to you both. Lastly to Ray Sherro, although I didn't agree with all of your decisions, your umpiring this year has been the best I have seen for many years. You are consistent and that all we can ask so thanks mate.

I'd like to congratulate all trophy winners in all grades and wish you all a safe summer and festive season.

To those who are intending to return in whatever capacity, please do so with the
