PRESIDENTS REPORT

The season of 2007 is probably the toughest that the club has gone through. This was very much a back to basics and back to High Wycombe year. The loss of players from the previous year had a big impact on our on field performance and as a result we will drop to C Grade next season. In the long run, I believe that this will be a good thing for the club as we should be more competitive and will continue the rebuilding work that was started this year. It was a struggle for numbers overall and it was disappointing that we were not able to have a B Thirds side this year but hopefully numbers will be better next year.

On a positive note many of our young players have gained more experience. Off field our performance was good. Financially we are travelling well. Numbers at functions was good and morale excellent given our lack of on-field success.

Thank you to the committee members, for their help and support throughout the year. Many of the committee were new this year or were in new positions. The efforts of these people allow the club to run smoothly.

Thanks to the sponsors as without the assistance of the sponsors our club would not survive. Their continued support is vital and is greatly appreciated.

Thanks to our coaching staff, Michael Outridge, Mark Doyle, Dale McCahon and Russell Banks. Your efforts were much appreciated in what was a very difficult year. **Thanks** to the trainers, Renee, Narelle and Shanell, to team managers Julie, and Sherryle, to the runners Livo, Owie and Dermie and also to Quads. **Thanks** also to Dennis Waugh for setting up the ground and to the many water boys and other helpers.

A special **Thank you** to canteen managers Lesley and Kim for the great job they have done throughout the year.

Thanks also to Rob Rowlands for managing and updating our website. To Marg Williams **Thanks** for taking on the roles of Treasurer, Registrar, Team Manager and for also doing the shopping around for our alcohol supplies with the help of Kev.

On a sad note a **special thank you** also to Mal Haden for his fantastic help around the club. He will be greatly missed when he returns to Victoria at the end of this year.

Congratulations to all trophy winners.

I hope to see everyone back next year as we continue the rebuilding process and look forward to a successful season in 2008.

Go Bulldogs!
Brett Hockley
President

B GRADE REPORT 2007

2007 was a tough year. As a club we did expect (with the amount of players lost from last year), that we were going to be up against it.

But what started out as signs of a competitive year fell away drastically at times. It was a combination of things, starting with player availability and injuries and also towards the end our playing group was starting to tire. Throughout the year the side not once had the same starting lineup and often these changes came about on a Saturday morning, so it was hard to get any consistency in playing together or in a regular position.

There were some positives, firstly it gave a lot of our guys who have been in the thirds and reserves sides over the last few years' opportunity to step up and test themselves against quality opposition. Over the year we had 6 players from our thirds side and 8-10 players from the reserves side of 2006 consistently play B Grade footy and in that showed some of them are capable of playing at a higher level.

To all our playing group THANKS for your support and for stepping up when required, it will only go to improving your footy. Even though we couldn't manage a win, we still worked hard.

A Special THANKYOU must go to Livo, his enthusiasm and energy for football and our footy club is an important ingredient for the club going forward. Not only was Livo our runner, but his support on match day and during the week at training was fantastic. THANKS DOC.

To Doyley, Banksy, Dale and Quads THANKS for your help and support, your willingness to take training (especially when wet) was much appreciated. It was always pleasing on a Thursday night when I needed 2, 3, 4 and sometimes 5 players, that all coaches didn't have a problem with me taking there players. We all knew where the club was at in 2007. THANKS GUYS.

A big THANKYOU to Julie, who at the last minute jumped in as team manager, THANKS for doing a great job. Jules both the players and myself appreciated it, (especially the washing the jumpers part).

To everyone else, Brett and the committee, trainers, supporters THANKS for your efforts throughout the year, it doesn't get said much, but you are all very much appreciated.

Overall I think the thing I most learnt this year, is that EVERYONE involved in our club has to be a lot more FOOTBALL ORIENTATED for us to survive in C Grade next year. As a club we just can't afford to go any lower in the grades and only commitment and hard work will see us achieve that.

Thanks for the year.
CHEERS OUTY.

B RES REPORT 2007

A really important year for the club, I feel it showed exactly where we are at and what sort of levels of fitness and skill we need to achieve B grade status, unfortunately we didn't have the personnel so we go back to C grade and start again, which I think is a good thing for the club. However we really do need the support of the players both on and off the field to remain a strong proud club. There were a lot of close games in all grades where we just couldn't finish off so we really need to work on that facet of our game.

In the seconds we had a reasonable year only 3 wins, a loss by one point and probably two or three we let slip. Early on it looked like it was going to be a very trying year we played some good footy in the first half of the season in patches but couldn't sustain a four quarter effort. Mid way through the season against Mt Lawley I thought we turned the corner because we changed our game plan to a more stop the game style of footy a tight tagging style, one on one which started to work for us and we really had the top teams baffled and confused and their game plans went out the door and we became really competitive against every side we came up against. It was a hard year, no one likes losing but the feeling within the team and around the club was really good, I think everyone just realized where we were at and clubs do go through this period after being up for so long and we all just had to get on with it and support each other.

I would like to THANK those players that pushed up and played league, poor Outy never had the same side two weeks in a row and you just can't win games like that even though they were close very often. But the blokes that pushed up really did the club proud and put the club before themselves which is how it should be and some of those blokes surprised themselves to see what they could do when they applied themselves.

Lots of people to THANK, none more than Banksy what a great bloke and huge asset to the club this man is. He was a huge help to me and really just blended into the club so well, as if he had been here for years got on great with all the blokes and I'm sure the committee also appreciated all the work he put in behind the scenes. Banksy you're a great bloke and the club needs people like you and we must keep you here at all costs, THANKS Mate.

The big O, what a legend, took on the runners job and stayed involved with the club which is the way things should be, what can you say about Owie a true gentleman and club legend THANKS for your support mate your a champ.

Margaret - Life Member, Treasurer, Registrar and our Team Manager, we all know she can get a bit grumpy, but with the amount of work she does for this club, do you have to wonder why? You are a gem Margie and I love you, THANKS for all your help and support once again.

THANKS to Choco, Marshy and the rest of the leadership group, you were really great in a tough year but you stuck by Banksy and Myself and that's all we can ask you guys were great cheers.

Congratulations to all the milestone boys we had plenty of them this year and your team mates played hard for you when your turn was up.

THANKS to the girls on the medical staff you got us out there each week and the boys really appreciate the work you do for them.
Also my fellow coaches Mick and Dale THANK YOU for the year and all your support.

And last but by no means least THANKS to all the committee firstly for giving me another go at coaching, but also for all the hard work that you guys do, to run the club that the players may not see or understand what it takes to get them a game of footy every week and hopefully a lot more of them will put their hand up next year and get on the committee and help out sharing the load makes it easy on everyone.

THANKS to Leslie and Kim for their hard work in the bar and canteen.

And on a sad note, goodbye to Mal, what a huge loss you will be to our great club, THANK YOU for all the work you have done over the years and I hope all goes well for you back in Victoria we will miss you mate.

Doyley. (Sorry if I forgot anyone but THANKYOU all at H.W.A.F.C)

B COLTS REPORT 2007

The season looked to be headed in the right direction pre-season with excellent numbers around mid to high thirties with several new faces, most of last years players returning and good numbers of seventeens moving up from juniors.

The official start to our season saw a hard fought win in a good contest against Bassendean, unfortunately this was to be the only victory for the season. On many occasions the team were not only a very competitive unit but a side that on their game had the ability to push the best sides in the competition right to the wire. Unfortunately as the season wore on the team suffered some fairly hefty loses due to injuries, illnesses, work commitments and the requirement of some quality players being promoted to league ranks. The character of the group to stay focused all season was first class and it very nearly led to a victory in the very last game of the season. The final game was decided in the last seconds with Mt Lawley kicking the winning goal basically on the siren it turned out to be an 15 goal turn around for our colts.

Even though the group was not experiencing huge amounts of success by way of wins they became winners in many other ways. Making a great team bond, having constant good numbers on both training nights, supporting club functions, showing greater maturity and restraint after games when supporting our senior sides (on most occasions) and building a strong team spirit being around each other uniting and socialising as a group.

Its always rewarding to be a part of young players getting a shot at senior football and an even better feeling when you see them play as well as our colts representing the clubs top side.

As the coach of a side that didn't taste a great deal of on field success I do humbly apologise and take a bulk share of any blame for our lack of success. In defence of the efforts of this year a great deal of effort was put into laying the foundations for next year and the clubs future success but only time will tell. So thanks to all the boys for the hard work done on and off the field this year it was hard but rewarding in many ways.

To all the Committee, Strappers, Trainers and other helpers who always make themselves available to help thanks you all. To Outy and the league side it was a very tough year but it was great to see everybody remain positive and hard working to the end. To Doyley well done. To keep your boys working hard and maximising every opportunity that came your way. The club had a terrific win gaining the services of Russell Banks (Banksy) and he instantly gained acceptance by his great personality and hard working nature. So well done and thanks you all lets keep on keeping on success is just around the corner.

To my immediate crew of able helpers thank you to Paul (Quad's) Quadrio for all his work as my assistant, to Craig (Dermi) Gallagher for running the messages every week (well done on the 250), to Mal for his help in many different duties he has done for us, to Marshy thanks for your support over the past couple of years. To my wife Lee-Anne thank you for filling in the many roles you have had to over the year and listening to my football ramblings. Finally to my wonderful manager Sherryle how easy it is to not have a worry about anything but coaching and the players. Your efforts all the helpers around the club are greatly appreciated so thank you to every one.

Dale McCahon
