# Presidents Report

Each year presents new challenges for all football clubs and with the support of Dave Barnes, Mark Brinkworth and Steve Powell and their families we have met these challenges head on, and the club is on the up.

Culture is a massive part of a club and ours is on the improve. I will continue to be the driving force behind adopting a greater understanding to improve our cultural and behaviour footprint which will help to attract new players, members, supporters and retain the existing.

A massive thank you to all Life Members for your support and guidance throughout the season.

To all our sponsors your continued support and new sponsor support has been great and is appreciated.

Continuing to grow our Sponsorship base is high on my agenda moving forward with Big business and Grants being a major focus.

The help of people who volunteer their time is massive and very much welcomed your assistance to me and the football club is appreciated.

Along with this there have been many various donations of goods and services this is appreciated also.

To all our Staff members Bar, Canteen, Trainers, Umpires and Coaching what a great and professional job you all continue to deliver.

Thank you.

All our players battled hard throughout the season well done to all of you on your year.

With close to 150 players participating over the season it is encouraging to be a part of this football club as it continues to grow.

This season seen us field a Women's team for the first time there achievements and progress was highly recognised with the Ladies just falling short of a finals appearance. Awesome stuff to everyone involved.

Integrated appeared in another Prelim Great efforts from all of you. From this team we also seen 3 State representatives a massive achievement well done Graeme, Robbie and Alex. The entire team of people involved with this team are phenomenal. I and the club Thank you

Our Ressies Coach Phil took the reins made the finals in his first year a great achievement to him and his players.

Our League team fort hard all year and at times showed they are a team to be reckoned with.

Work hard and the rewards will come. Good Job Macca

With that the season comes and goes very quickly.

I encourage everyone to continue to help and support myself and the club.

With this I look forward to guiding the HWAFC to bigger and better achievements in the coming season of 2020.

Jason Castle

HWAFC President

## C2 Grade Report

Well 2019 is over for the league side. A lot sooner than us coaches had anticipated considering a fantastic effort last year.

As we all found out success doesn't just happen you need to put in the time and effort to get results.

We did the usual ring around to try and get good numbers down for pre-season and the extra contacts Phil Barnes & Dave Parker brought to the table we believed we were going to have a great start to pre-season with the amount of players that said they were coming, but talk is cheap and we didn't get the numbers we were expecting,

Very disappointed in not having a colt's side, it certainly wasn't through lack of trying on the coaches & committees' part & I would like to thank Dave Parker & Steve for their continued help with the league & resses throughout season.

We started off with 3 close losses to the eventual top 3 at round 18 so we were capable of beating everyone in the competition.

It wasn't long after that I felt our belief in our ability started to fade then as the season went on numbers dropped off and more & more were having time off here and there even though we were well and truly in finals contention. I know its amateur footy and that's to be expected but it makes it very hard to be competitive with the best sides. Still not a bad effort considering the setbacks we had through the year especially with having to juggle the new points system and the fly in fly out issues to stay in contention as long as we did was a pretty good result.

I want to thank the players that genuinely put in at training week in week out especially our captain David O'Connor, Vice-Captain Sam Oakes & Beau Riley I wish the season had turned out better for you blokes and got a better result for your effort. A special mention to Sam Oakes whom was selected to play for the state amateur side.

Well done to Narrelle for getting the girls side up and running and having a great first season, exceeding all our expectations. Well done.

To Phil Barnes our reserves coach, thanks for your support all year I appreciated your cooperation when picking the league side each week, you did a great job coaching for your first time and to just miss finals was a great effort. Well done mate.

I would like to thank Dave Parker & Dale McCahon, two great club people for being my assistant coaches and who have supported me all year, rarely missed training, they have great football knowledge between them that I could run things by them that I could draw on during the year their advice was greatly appreciated.

To our fitness coach Ross, thanks again mate for getting the blokes in the best condition you could for the whole season.

Our trainers Nat & Shelly, thank you for the great job you did for us again this year, I know all the players appreciate the way you look after them.

To Kyrie-Lee thanks again for managing for us considering you are also on the committee and playing yourself with a young family but still made time to help us out, I really appreciate it.

Also, a big thankyou to Danni and Donna for filling in when needed.

To our President Porky, Brinky & the rest of the committee thank you for your support through the year, a great season off field one the most enjoyable years I've had at the club.

Kevin MacArthur  
League Coach

# C2 Reserves Report

What a year it was...

I didn't really know what to expect at the start of year and be honest I really wanted to be competitive and with the large amount of player turn over we welcomed a handful of new players from Players coming from other clubs to players not known anything about our game. We had a conversation that high Wycombe have never lacked the ability to score and individually we have some very gifted and talented players. However, we challenged the playing group that at times you must sacrifice your need to want the footy to just trust your team mate to win it and just hold ground. We changed our practise to more 'game style, game situation drills' and collectively we watched In front of our eyes the skills improve out of sight being both under complete pressure to normal 10-meter kick.

2019 we won 2 more games than 2018 with 1 drawn game and going down by 1 point to Swan Valley. We lost 4 other games by under a kick which eventually cost us a final berth. That being said from everyone in the coaching staff we all couldn't be prouder of the lads of fantastic year.

I would like to thank my assistant coach Brinky for by my sound board and the voice of reason during the season. Brinky really took onboard my game style and run with it. You sir are an absolute legend. Steve, its Steve's first year at the club and he in braced everything that High Wycombe stands for. I would have been lost without you mate.

The game day staff., Jason Castle and David Barnes thank you so much lads. Couldn't have done it with you all.

Macca and Parkes, you both have forgotten more about the game than I will ever know, thank you both truly I really hope to see you both at HWAFC in 2020.

Last but definitely not last... To Donna, thank you, without someone like you doing what you do simply we wouldn't have been able to take the field each week.

To the club and the many Volunteers that helped throughout the year thank you.

With my first year of coaching is in the books, and I can reflect on the year that's been and I walk into the summer a happy man and hope all the playing group have the same feeling.

Rest up... footy is around the corner, I hope to see everyone there.

It's a grand old flag

Barnesy.

# Women Report

I would like to start my report by thanking Kyrie-lee Sleath [captain], Laurel Johnson [team manager] & Neil Worsley [assistant] for helping to get the ladies team up & running & all taking on roles within. An idea that we discussed tongue in cheek at the integrated final the previous year turned into reality in a hurry. A big thanks to the club for not only allowing us but accepting us into the fold & to be part of the club.

I take my hat off to all the ladies that played this year, whether it was 1 game or all games. You all worked so very hard to get fit & to learn the basic skills & got stronger each week, improved your skills & embraced what we tried to teach. You girls showed Neil & me that you were determined to have a real crack & you never gave up. The sheer joy when we got up for our first win was so memorable & that sparked a want to keep winning. Our final count of 5 wins from 12 games was awesome & if not for a couple of close losses we would have made finals. You girls are amazing & achieved so much in your first season.

I hope you all return next year with a real desire to play finals footy & show everyone that the ladies from the Kennel can play football. With the first season under our belt, we can achieve together.

I would also like to thank both Naomi for all her great photo's & Donna for the Lollies. Big thanks to Natalie & Shelley for all your great work in treating & keeping the Girls on the track, we really appreciated your involvement. Thanks to the boys who central, boundary & goal umpired during the season & anyone who went runner on game days. Thanks to those who came & supported each week.

In closing, Congratulations to all inaugural members & trophy winners. I hope to see you all back in pre-season ready to have another go in 2020.

Thanks

Narelle Worsley [coach]

# Integrated Report

Another successful season for the High Wycombe Integrated Footy team in 2019. This year we won nine home and away games and lost four to finish fourth on the ladder. We then continued our season by winning our elimination and semi-finals but unfortunately, we were beaten in the preliminary final.

Our numbers remained strong with 31 players representing the club throughout the year. We have had another strong year with great support from parents and carers to get the players onto the ground and helping out during games. I am confident that players enjoyed games, training and even the carpooling to get to away games.

We were again involved in a curtain raiser game this year before the West Coast Eagles vs Port Adelaide match at Optus Stadium with five of our players and one of our coaches participating in the game. We also played at WAFL venues vs Willetton at Steel Blue Oval Bassendean, and vs Mandurah at Bendigo Bank Stadium.

Congratulations to Graeme Govan, Anthony Kalimeris and Rob Gregory who were selected in the Integrated State team that went away to Sydney. Graeme was again named as the State captain. They had a successful carnival but unfortunately were beaten in the Division 2 final of the carnival, but a great experience for all involved.

As a confirmation of the strength of our Integrated program we also had a number of players reach the 50-game milestone this year.

We again had Forrestfield and High Wycombe Community Bank (Bendigo Bank) on board as sponsors and really appreciate their support.

Thanks to Captain - Graeme Govan, Vice Captains Matthew Safe and Rob Gregory, Co-Coach David Sheedy, Assistant Coach Glenn Lammonby, Umpires - Peter Pewsey and Craig Gallagher, Team Manager Terri Miller, with assistance from Emily Sledzinski, Goal Umpire Bruce Miller, Trainer Amye Sheedy, Runners Ryan Hockley, Peter Woods and Peter Pewsey and Jim, Ground Preparer and part time board shuffler Mark Bloomfield, and all others who ran water for us throughout the year. Thanks also to Kyrie-Lee Sleath for sorting out the team sheets and entering results for us each week and to Rob Rowlands for collating the weekly best player votes and presenting them for our vote count at the Integrated windup.

I would also like to thank the various parents, carers and others that helped out and supported us throughout the year and to President Jason Castle and the committee for their continued support. Most of all to the players who make being involved in Integrated Footy so worthwhile and so much fun.

Congratulations to all trophy winners and we look forward to continued improvement for the Integrated team next year. Go Bulldogs!

Brett Hockley  
Integrated Coach
